## 产品功率保证

The crystalline solar modules provided by DASOL shall achieve 90% of the performance within 10 years from the delivery of leaving DASOL's module facility, and 80% of the performance within 25 years from the delivery of leaving DASOL's module facility, for each module tested under the standard test conditions before leaving DASOL's module facility, assuming correct transport, storage and further handling.

在标准测试环境下大成保证本公司提供的晶体硅太阳能组件在正常运输, 储存和正常使用情况下, 自出厂交货之日起 10 年内达到出厂前测试功率的 90%, 自出厂交货之日起 25 年内达到出厂前测试功率的 80%.

### 3. Exclusions and limitations

#### 保证不涵盖内容

This warranty does not apply to any crystalline solar modules which have been subject to misuse, neglect or accident, or which have been damaged through abuse, alternation, improper installation or application or force majeure, particularly natural disasters, war, unrest, labour disputes, suspension or interruption of operations due to extreme factors, administrative measures and other events outside the control of DASOL.

本保证在以下情况下不承担产品责任: 错误使用, 疏忽, 意外事故, 或者因为滥用、不正确的安装或者使用, 或不可抗力造成产品损害。不可抗力特别包括自然灾害, 战争, 骚乱, 劳资纠纷和因极端因素, 行政措施和其它大成不能控制的情况下而导致的不能正常使用产品。
